MSU

Title: Fall 2025 Physics and Astronomy Kickoff

Join us for a Welcome Back Social on September 11! All members of PA are invited, including staff and undergrads. We'll have pie, donuts, and cider from Phillips Cider Bar, served 3:00--4:00pm in BPS 1400. There will also be representatives from various clubs and initiatives around the department that you can come chat with and learn more from. At 4:00pm, we'll move to BPS 1415 for a short welcome-back presentation, from the chair and DEI committee. See you there!
